Gifts-In-Kind Donations

Habitat for Humanity Durham greatly appreciates your donation. Gifts-In-Kind donations are defined as a voluntary transfer of property, other than cash.

Services are not considered gifts-in-kind as they do not involve a transfer of property. However, if you choose to donate your services, we can arrange for a cheque exchange.

Tax receipts will be issued UPON REQUEST, for any gift-in-kind that meets the following criteria:

- The item that has been donated is sold in our ReStore for an amount higher than \$100.00.
- Tax receipt will be issued for the sale amount, in the calendar year in which it was sold.
- For all other Gift-in-kind items, we will issue a tax receipt for the Full Market Value. Full Market Value is based upon proof with either a sales receipt of the donated item, or three proven published sources verifying the value of the item. On all items that are valued over \$1,000.00, an independent appraisal is required.

If you have any questions regarding your donation, please feel free to contact us.
